

ECLEA

DESIGN FOR BANQUETING

By **BRUNO****NIC**
ITALIAN FURNITURE

OMNIDIRECTIONAL FOLDING SERIES

ECLEA is dedicated to innovative folding cart research, making usage more convenient and efficient, with lasting durability.

Mlobe Buffet Statio

Fully-Custom, Detachable & Modular Table System

- 6061-T6 extruded Al-Mg alloy frame + 304 stainless-steel quick-lock couplers, positioning accuracy ± 0.1 mm.
- Manual set-up / knock-down in ≤ 3 min without tools; $\geq 5,000$ cycles with cumulative tolerance ≤ 0.15 mm—engineered for high-frequency “install-dismantle” exhibition logistics.

304 Stainless-Steel Frame + ≥ 1.2 mm Precision-Steel Base

- Mirror-electro-polished finish, $R_a \leq 0.4$ μm ; 1,000 h neutral-salt-spray zero-corrosion record.
- Table top: Formica® high-pressure laminate on 0.7 mm face, surface hardness ≥ 3 H (ASTM D3363), cigarette-burn resistance ≥ 20 s (EN 438-2), antibacterial rate $\geq 99\%$ (ISO 22196).
- Entire assembly certified to EN 15372:2016 Level 3 commercial loads: deflection $< L/500$ under 200 kg static load; 10-year structural warranty.

Hidden Electrical System

- 2 \times 16 A 250 V industrial outlets, 30 mA Type-A RCD, trip time ≤ 30 ms, IEC 61008-1 compliant.
- Aluminum cable duct + TPE sealed grommet, IP54 rated; passes CEI 23-48 / VDE 0620 splash-proof test—ready for temporary high-power exhibition circuits.

Magnetic Quick-Release Front Panel

- 2 mm substrate secured by NdFeB N52 magnet array (≥ 8 N cm^{-2} per puck); 1-second swap.
- Compatible with laser engraving (± 0.05 mm), UV print (6-colour + white), anodising (film ≥ 10 μm); batch colour difference $\Delta E \leq 0.5$ (CIE Lab) for on-the-fly theme / logo / signage changes across multi-brand rotations.

Heavy-Duty PU Silent Castors

- $\varnothing 125 \times 32$ mm, PU 95 A, rolling resistance coefficient ≤ 0.03 .
- Dual-pedal total-lock brake, braking force ≥ 120 N, 130 kg dynamic load per wheel; endurance $\geq 1,000$ km per DIN EN 12532:2020.
- 360° fingertip swivel, operating noise ≤ 45 dB(A)—“library-quiet” during install or strike.

Easy Installation, Finished In 3 Steps

METAL WOOD GRAIN X-FOLDED BUFFET TABLE

X-Fold Design

One-touch open and close, effortless operation. Compact when folded, saving storage space and simplifying logistics for efficient space management.

Metal Wood Grain Technology

Innovative craftsmanship replicates natural wood textures—combining the durability of metal with the warmth of solid wood. A modern interpretation of the classic cocktail table.

Versatile Material Options

Sturdy stainless steel frame with tabletop choices:

- Wear-resistant laminate · Practical & economical
- Clear tempered glass · Sleek & minimalist
- LED illuminated glass · Ambient lighting (optional)

Multiple Uses · Adaptable to Any Scene

Banquet Reception | Business Meeting | Casual Bar | Event Display
Flexible configurations to suit diverse spatial needs.

Standard Sizes

- 900×900×750mm (L×W×H)
- 900×900×900mm (L×W×H)
- 900×900×1050mm (L×W×H)

Wood Grain in Every Detail

Every texture comes to life with stunning clarity.

Form Meets Function

Where refined aesthetics and practical utility unite in perfect harmony.

CLASSIC X-FOLDED BUFFET TABLE SERIES

- Fold in a flash—open, close, glide away; management time drops to zero.
- Steel bones, crystal skin—strength and clarity forged together, standing unshaken as years slip by.
- Circle's grace, square's poise, rectangle's grandeur—three silhouettes on demand, scenes shift in an instant.

Round X-Folded Table

- Stainless steel frame with round table top
- Dia800xH750 / Dia800xH900 / Dia800xH1050 mm

Square X-Folded Table

- Stainless steel frame with square table top
- L900xW900xH750 / L900xW900xH900 / L900xW900xH1050 mm

Rectangle X-Folded Table

- Stainless steel frame with rectangle table top
- L700xW1050xH750 / L700xW1050xH900 / L700xW1050xH1050 mm

All X-Folded Table can be fully Customized

- Frame Options: Stainless Steel, Steel.
- Surface Treatment: Metal Wood Grain, Brushed
- Multiple Table Top Options:

HPL

Tempering glass

Tempering glass (with LED)

Trolley For X-Folded Table

METAL WOOD GRAIN NESTING BUFFET TABLE

- Metal wood-grain tech replicates the warmth of solid wood—every touch feels like real timber.
- Steel frame carries clear glass or soft-touch laminate; pick a surface, switch the mood in seconds.
- Nest-able at heart, the tables slide together like matryoshka dolls, rearranging or disappearing as the scene demands.
- Three golden scales:
150 × 70 × 108.5 cm
130 × 70 × 94 cm
110 × 70 × 78.5 cm
Long, mid, low—one is always the perfect fit.

FULLY OPTIONS CUSTOMIZED FOR INDIVIDUAL NEED

- Frame: 1.2mm Steel, #304 Stainless Steel
- Surface Treatment Options: Wood Grain, Brushed
- Table Top Options: Laminate, Glass

Steel Frame Wood Grain Finish Nesting Table

SS Frame Brushed Finish Nesting Table

Functional Metal Wood Grain Nesting Buffet Table

Minimalist Aesthetics · Performance Flagship

Driven by a “less-is-more” philosophy, the design balances visual whitespace with peak functionality, delivering a restrained yet commanding presence for five-star hotels, rooftop lounges, and international expos.

Dual-Frame Configuration · Structural-Grade Safety

- ▶ #304 stainless steel – 1,000 h salt-spray test, zero corrosion; coastal venues approved.
- ▶ 1.2 mm precision steel – optional track; both pass EN 1725:2012 20,000-cycle durability without structural damage.

Dual-Surface Engineering · Performance & Aesthetics in Parallel

- ▶ European E0 plywood + high-pressure laminate, scratch-resistant Grade 5 (EN 438-2).
- ▶ 8 mm fully-tempered glass (EN 12150) for a levitating visual effect.

Three-Level Height System · Instant Scenario Switch

One kit covers standing reception, seated dining, and back-of-house prep; modular layout maps 0-100 % of banquet flow.

- ▶ 1,500 × 700 × 1,085 mm
- ▶ 1,300 × 700 × 940 mm
- ▶ 1,100 × 700 × 785 mm

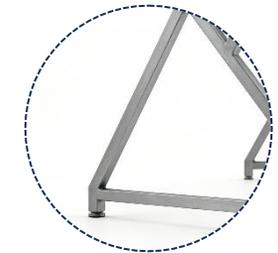

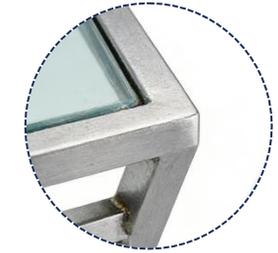

Decoration Side Nesting Buffet Table

- Durable stainless steel frame with laminate table top.
- Customized side pattern styles
- Standard size: L1500xW700xH1050 / L1300xW700xH900 / L1100xW700xH760 mm

Arch Nesting Buffet Table

- Durable stainless steel frame with glass table top.
- Standard size: L1500xW700xH1050 / L1495xW700xH960 / L1495xW700xH760 mm

BANQUET SEATING

PRODUCT SUMMARY CATALOG

Collection for
2025-2026

Why Choose ECLEA?

For more than 20 years, we've lived and breathed hotel banquet furniture. We've watched competitors drown in price wars while genuine value got lost in the noise. We chose a different path—one paved with innovation, not discounts.

Our edge comes from two game-changing technologies: Metal Wood Grain—giving metal frames the warmth and character of solid wood, meeting the eye of luxury hospitality while honoring environmental responsibility; and Proprietary Tubing Systems—investing heavily in custom-engineered materials that transform ordinary banquet chairs into extraordinary assets. Ergonomics, aesthetics, durability, logistics—every element is battle-tested and hotel-proven.

Metal Wood Grain

Where Classic Meets Innovation — Timeless forms, redefined by cutting-edge technology.

The Soul of Wood, The Strength of Metal — Authentic grain patterns and organic warmth, engineered for commercial durability.

Your Signature Look — Stand out from the ordinary. Command higher rates. Build a memorable brand.

Built to Last

500 lbs rated load. 10 years of confidence. That's the ECLEA standard.

Source Excellence — We don't just buy materials. We audit suppliers, test batches, and certify every component for commercial endurance.

Engineered Advantage — Our patented tubing and skeletal systems prove that strong doesn't have to mean heavy.

Smart Production — Digitally monitored workflows in state-of-the-art facilities. Precision at every station.

Zero-Compromise QC — Every chair. Every weld. Every finish. Checked before it ships. Guaranteed.

Designed For Hospitality Benefit Your Business

With 20 years immersed in hospitality design, we understand that every furnishing serves as a silent revenue generator for your business. Our banquet seating solutions—crafted specifically for the hospitality sector—marry ergonomic excellence with visual sophistication, built for lasting durability yet optimized for warehouse efficiency, with every component meeting rigorous ECLEA certification standards. Partner with us, and you're not merely purchasing furniture; you're investing in a strategic ally dedicated to powering your business expansion.

Structure Is Quality. Detail Is Dignity.

Aerospace-Grade Aluminum Alloy Crafted from premium aviation aluminum, delivering exceptional strength-to-weight ratio and corrosion resistance. Proven through two decades of commercial use—zero rust, zero deformation.

Precision Manufacturing

- CNC extrusion forming ensures uniform wall thickness with $\pm 0.1\text{mm}$ tolerance
- Robotic laser welding produces mirror-flat seam finishes
- Anodized surface treatment preserves metallic luster for years to come

Industrial Aesthetics Where geometric precision meets functional form. The cool elegance of metal harmonizes with the warm touch of wood grain—defining the design excellence of contemporary hospitality furniture.

● **American Patented Carbon Fiber Structure Technology**

- Longer lifetime.
- Much more comfortable.
